- Costumes will be sent home following each class' in-studio dress rehearsal in May.
- A detailed costume order for Class Portrait Day, along with full costuming instructions including hair, shoes, and accessories, will be shared on **April 15**.

DROP-OFF & PICK-UP

- Dancers should be **dropped off and picked up at our stair entrance** on Columbus Avenue at their assigned time. Do not enter the building and use the elevator on May 9.
- There is no waiting onsite during portraits. This allows the space to remain clear and ensures the day runs efficiently for all groups.
- Parents who would like to assist during Portrait Day are welcome to do so by completing the volunteer form, which will be provided on **April 15**.

Important Notes

- Please drop-off on time. Group portraits cannot be delayed for latecomers.
- The appointment windows are longer to provide a more relaxed experience for the children.
- All students should bring their required dance shoes for their class portraits.
